

SULLIVAN STEEL

Call us: **609.882.5250**

The Sullivan Steel Difference:

- We provide quality bearing steel for all industries
- Orders of any size, any length, shipped fast
- We carry a unique inventory of specialty steel
- Excellent customer service
- Sawing for small or large quantities

Large inventory, great service, experts on staff, competitive prices: that's the Sullivan advantage.

- Melt Practice: VAR Bar: AMS 6444

8620 Tube & Bar

- Carburizing bearing steel
- Melt practice: air-melt
- ASTM A534 & AMS 6274

XD15NW Bar

- Stainless bearing steel, high nitrogen (CREN)
- Superior to 440C
- Melt practice: ESR
- AMS 5925

XD16N Bar

- Stainless bearing steel
- More cost effective version of XD15NW
- Melt practice: air-melt
- AMS 5926

M50 Bar

- High temperature steel for aircraft bearings
- Melt practice: VAR & VIM-VAR
- AMS 6490 & AMS 6491

NC310YW Bar

- High Strength & High Fatigue
- Melt Practice: VIM-VAR
- AMS 6499

CX13VDW Bar

- Carburizing stainless
- Melt practice: ESR
- AMS 5719

440C

- Stainless high carbon-chromium bearing steel
- Melt practice: Air-Melt & VAR
- AMS 5618, 5880 & 5630
